The winter weekly programme has something for everybody:  
Sampler tours, day ski tours, ski touring weeks, ice climbing, snowshoe hikes.

On skiing or hiking excursions and ski tours in Montafon's most beautiful winter sports mountains you will experience the fascination of winter mountainscapes far from the pistes and accompanied by a state examined and authorised mountain guide.

Routes are selected according to the prevailing weather and snow conditions. Don't miss the thrill of a powder or Firm snow descent!
